

Hamburger Bun Cookies (Barbara and Kim Keck)

1 chocolate cake mix (or any kind of your choice)

Preheat oven to °350. Make cake as directed using 2 eggs, but only ½ or less of the amount of water, to create a “cookie dough consistency.” Beat well. Drop by teaspoonfuls onto a cookie sheet and bake for 10 to 12 minutes. Make the frosting of your choice, and put filling between two cookies so that it looks like a hamburger in a bun.

“Kimberleigh, Dennis, Kathy, and Tony – children of Bryce and Barbara Keck – used to beg Grandma (Toni) Keck to make these for them when they lived next door to her in Nampa, Idaho.”
