

Play Dough (Patty Keck)

2 c. flour
1 c. salt
½ c. corn starch
1 T. oil
1 T. alum
2 c. water

Cook until thick (will look like play dough). Cool slightly. Divide into 4 parts, add a few drops different color food coloring to each part. Using rubber gloves, so your hands won't get stained, knead each part. Store in zip-lock bags.
